

Theale Tigers Football Club

Sponsorship Opportunity

Theale Tigers are an FA Affiliated football club based in the heart of West Berkshire, championing grassroots football since the late 1970's.

The club is run solely by a group of dedicated volunteers currently supporting over 180 children from the ages of 5 to 16 years old from the local area.

We have volunteer, FA qualified coaches, providing weekly coaching sessions and competitive matches on Saturdays and Sundays within local FA accredited football leagues. We also play in well-established grassroots tournaments during the summer months.

We believe in providing a safe, fun, inclusive and competitive environment for young players to learn, grow and develop through football.

The club aims to promote team spirit, confidence, inclusivity, fun, friendship, healthy exercise and to play an active part in our local community in Theale and the surrounding areas.

We would not be able to provide these community services without the fantastic support of our sponsors, who contribute towards providing a kit for all players within each of our teams.

Our team sponsorship package includes:

- Two season sponsorship for each team
- Your company logo printed on the front of the shirts – these will be visible to all teams and supporters throughout the venues and summer tournaments we play at across the county
- We will also add your company logo to the Theale Tigers website, including a link to your own website
- We also provide a framed photograph of the sponsored teams

We are currently looking for companies that would like to sponsor a team(s). The sponsorship would contribute towards replacing the existing 2-year-old kits.
